

Facilitating Difficult Conversations with Older Adults and Their Families: Ethical Considerations

PRESENTER: JESSICA ROWE, LCSW-C

There are some topics that are just too difficult for older adults and their families to tackle alone - driving, home safety, accepting help, and end-of-life care are just a few.

In this workshop, participants will identify strategies for facilitating family communication and explore the ethical issues that arise.

Jessica Rowe ElderCare Consulting, LLC is authorized by the Board of Social Work Examiners of Maryland to sponsor social work continuing education programs and maintains full responsibility for this program.

This training qualifies for 3 (three) Category I Ethics continuing education units.
