## Vibrant senior living is possible. Lorien Taneytown is proof.

Life here is independent. It's stimulating and connected. You can feel it in our modern and lively open areas, our unique recreational programs and our soothing courtyard gardens. You can feel it in Flick's Pub, our on-site bar and restaurant that's open to the public, enjoying live music, Happy Hour and meeting new faces.

The shops and cafés of Taneytown are nearby. Beautiful, relaxing countryside surrounds you. Advanced healthcare and rehabilitation are here for you if you need them.

Our range of Assisted Living floor plans help you match your space to your lifestyle. Our flexible service packages are tailored to meet the needs of the individual.

And since wellness is key at Lorien Taneytown, we offer aerobic and aquatic classes, innovative fitness equipment and monthly wellness seminars, along with activities to stimulate your mind and your body.

Skilled Nursing and Rehabilitation Therapy complete the continuum of care. Experienced professionals are here, equipped with advanced technology, deep knowledge and the full range of Lorien services, including Inpatient and Outpatient Rehabilitation Therapy in an expansive rehabilitation gym.

You can get more from senior living. *You just found it at Lorien Taneytown.*

## Health Services

### Sub-Acute Rehab & Skilled Nursing

We offer care and rehabilitation in a way that empowers your loved one's independence. It's care that's advanced and fully individualized, focused and responsive. Our licensed nurses, therapists, social workers, and dietitians take pride in providing warm, compassionate care. Each room features a full, private bath and there are private rooms available.

### Assisted Living

Located near charming Taneytown, this is Assisted Living in a beautiful country setting. It's a supportive combination of assistance and independence, with an array of floor plan options for the flexibility and the size you need. We offer 24-hour nursing coverage for your well-being and peace of mind, and easy access to Skilled Nursing through our continuum of care.

### Adult Outpatient Rehabilitation

Customized programs for Physical, Occupational and Speech Therapy are all available at Lorien Taneytown, developed and provided by licensed staff. We feature specialized equipment including Alter G Treadmill, SciFit and NuStep, along with aquatic therapy and a full range of care.

### Physical Therapy

Our physical therapists will use treatment techniques to promote mobility, strength, balance and safety while restoring function, reducing pain and preventing disability.

### Occupational Therapy

Our occupational therapists can help you regain basic self-care skills such as dressing, grooming, bathing and other personal needs during activities of daily living.

### Speech Therapy

Work with our Speech Language Pathologists to strengthen and rehab your voice quality, language, cognition and communication, and also address swallowing disorders.

### Respite Care

If you're providing care at home and need to arrange a short stay, Lorien Taneytown is ready to help, with Respite Care offered in our Assisted Living and Skilled Nursing facilities. It's the extra support you need for just a few days or as long as a month.

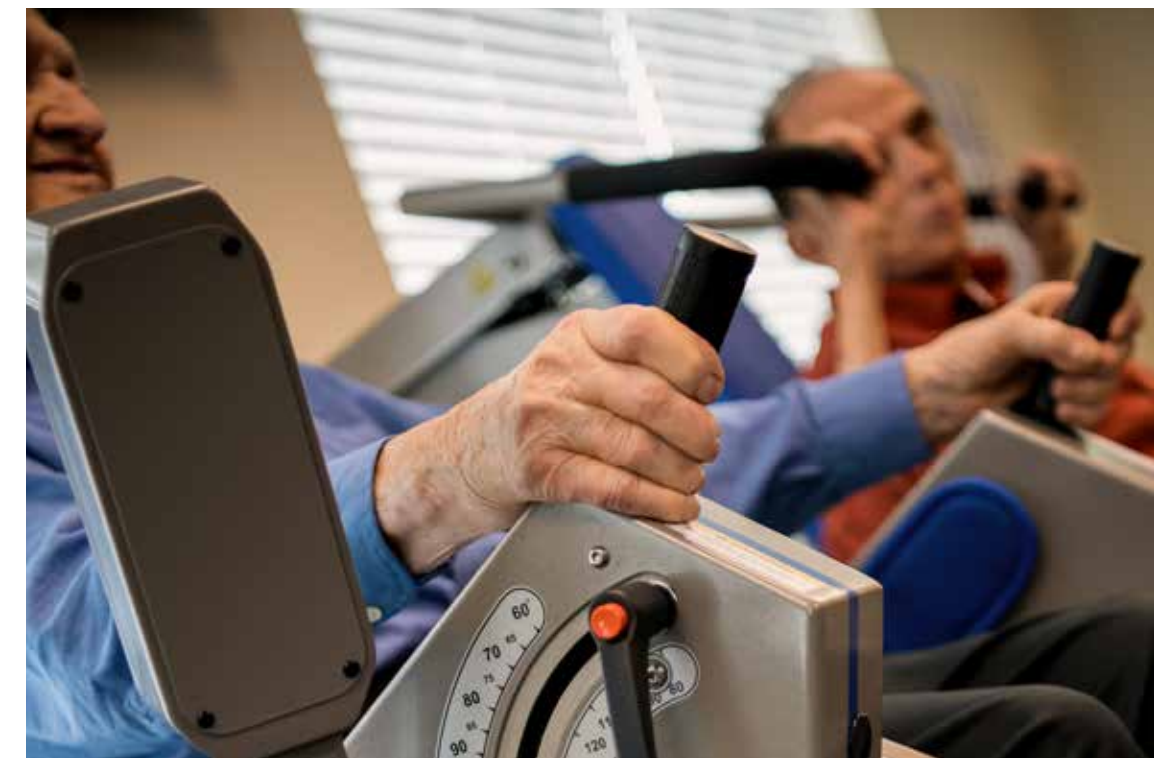

### Hospice Care

We offer end-of-life care in our comfortable, modern, fully staffed facility. As with all of the services we offer at Lorien Taneytown, our Hospice Care is provided with compassion and experience, fully focused on the needs of each individual and each family.
