

Attention:

All who have entered this facility must monitor for signs and symptoms of respiratory infection for at least 14 days after exiting the facility

If Symptoms Occur:

- Self-isolate yourself at home
- Contact your healthcare provider
- Immediately notify the facility of the date you were in the facility
- Immediately notify the individuals with whom you have made contact and the locations within the facility you visited

Facilities should immediately screen the individuals of reported contact, and take all necessary actions based on findings
