We Care Forward,
it runs in our family.

Committing to care with socialization in mind.

Led by the grandson of Nicholas Mangione Sr., Lorien's founder, Lorien Elkridge proudly maintains the excellence of care and quality that is found in every Lorien building. With an array of dynamic activities, beautiful indoor and outdoor common areas, and the remarkable care that Lorien has been providing to Assisted Living residents since 1977, our latest facility is bringing a new wave of innovation into the Lorien family.

Our top-rated team provides 24-hour nursing assistance to residents, as well as medication management, mobility and personal care assistance, and many other health care services. With Lorien Elkridge's 5-star rated Skilled Nursing facility located in the same building, a higher level of care is never far away. Regardless of the level of care you might need, the Lorien nursing team has you covered!

Residents enjoy this beautiful new building while playing games in the arcade, watching movies in the theater, and socializing in the private dining room. Our outdoor courtyard includes a grill, TV, and even a bocce ball court, which is a tribute to the Mangione family's Italian heritage. Each aspect of the building is designed with socialization in mind, which is a fundamental part of happiness and longevity for you.

Being like family remains our primary focus. We also know that the meaning of family extends to fur legged friends which is why Lorien Elkridge is pet friendly, with a dog park and pet care center. It's our new facility, our award-winnings staff, and our family's commitment to care that establishes Lorien Elkridge as your perfect senior living community!

Health Services

Assisted Living

Our newly constructed facility provides residents with a birght and engaging environment that encourages a healthy life style. With amazing activities and beautiful common spaces, it is easy to relax and enjoy everything that our building has to offer. The Lorien nursing team is available 24 hours a day, and our Skilled Nursing facility can provide an effortless contiuum of care for each resident.

Pet Care

Lorien's first pet friendly facility is equipped with all of the amenities to help you and your pet feel right at home. With a grooming station and outdoor dog park, pet care is accessible and easy!

Respite Care

When it is time to take a break from providing care at home, Lorien Elkridge is here to help. Our Respite Care services provide extra support for howev- er long you need in the capable hands of our Skilled Nursing Facility.

Adult Outpatient Rehabilitation

With many specialized programs for Physical, Occupational and Speech Therapy available, Lorien Elkridge maintains a special commitment to care. The licensed therapy team utilizes innovative equipment to revitalize and ensure that each patient recieves the appropriate care based on their individual needs.

Physical Therapy

The Physical Therapy team works to promote mobility, strength, balance and safety, using treatment techniques that restore function, reduce pain, and prevent disability.

Occupational Therapy

Whether it's dressing, grooming, or bathing, the physical therapy team can help you strengthen basic self-care skills and other needs during activities of daily living.

Speech Therapy

Working with the Speech Language Pathologists can help strengthen voice quality, language, cognition and communication, and can also improve swallowing disorders.

Hospice Care

Our end-of-life care offers the comfro- tability and individual focus that each resident receives throughout Lorien Elkridge. The Lorien team provides spe- cialized support to families and loved ones to assist in any needs during this difficult process.
